City of Belvidere

SOUTH SIDE STORMWATER PLANNING STUDY

Public Open House

The City of Belvidere is hosting a public open house for resident input on drainage and flooding issues in areas of the City south of the Kishwaukee River. Flood prone areas and drainage issues within those areas are being studied to develop conceptual improvement plans to reduce the occurrence and severity of stormwater impacts. The first step in the process is to gather information from those impacted and knowledgeable of local drainage problems.

The open house will be from 4:00 PM to 6:00 PM on Monday, October 9th at City Hall, 401 Whitney Boulevard. Please join City staff in this relaxed open forum to provide your input and any photos you may have of stormwater issues. Time for input, questions and discussion will be provided after a brief overview of the study plan.
