Prior to the overlay work being done, the contractor will be milling the surface of the existing pavement. Weather permitting, the milling work will begin on Wednesday, August 19th and the overlay work will begin on Friday, August 21<sup>st</sup>. Rock Road Companies will be the City's contractor for this project.

No on-street parking will be permitted while milling work and overlay work is being completed.

If you should have any questions regarding this project, please contact the Public Works Department at 544-9256.
